Hilton Greenville

tastegville.com

Dear Friends,

I am proud to present the 8th Annual International Taste of Greenville benefiting James and Connie Maynard Children's Hospital at Vidant Medical Center on April 15, 2021 from 5:30pm-9:00pm at the Hilton Greenville. Event attire is dressy/business casual.

Locally, the Children's Miracle Network Hospitals program benefits Maynard Children's Hospital. Each year, Maynard Children's Hospital has more than 53,000 pediatric visits from the hospital's 29 county service area. Your support of this event directly impacts the lives of sick and injured children in eastern North Carolina.

The International Taste of Greenville presents a world of food and beverage tastings from the United States and contributing countries. In addition, there will be many wonderful auction items.

During the event, inspirational stories of children whose lives have been touched by Maynard Children's Hospital will be shared.

As a sponsor, you benefit in various ways (see attached sponsorship level opportunities.) Sponsors logos are displayed electronically the evening of the event recognizing and thanking them for their commitments. The event will be advertised on television, on social media and our web site.

Tickets are \$100 for individual tickets, tables of ten are \$750. **100% of net proceeds** provide support for programs and services at Maynard Children's Hospital. Tickets are available online at tastegville.com or contact me directly.

We hope you will support the 8th Annual International Taste of Greenville. Join us for a fun and rewarding evening of wonderful food and fellowship ***"for the love of children!"***

Sincerely,

Bobbie Gaumont-Lanvin, Chairperson
